23rd NEWSLETTER 04 JULY 2016

WE HAVE SEMI-FINALISTS!

Our first semi-finals are...women's teams of Sweden, Finland, Switzerland and Czech Republic, and men's teams of Sweden and Switzerland.

At Female Competition, Sweden, Finland, Switzerland and Czech Republic assured a place at the semi-finals taking place to-day! Sweden will play against Czech Republic and Finland will face Switzerland.

Yesterday, at the last game of Women's group A, Finland defeated Switzerland finishing with a result of 6-4. In the Women's group B Czech Republic assured a place at the semi-final winning by 21-0 to Spain. At the other game of group B Poland faced Japan. Poland came back stronger from the time break. High pressure and impressive moves were the keys to score four goals in a row and polish girls end the game winning by 1-5.

At Men's competition we already have two semi-finalists, Sweden and Switzerland. Finland got the 3rd place of Men's group A and will dispute the qualifying with Spain that took the 2nd place of group B. Spain assured its place at qualifying to semi-finals winning to Japan for 5-2. At the same group (B) Slovakia assured the 1st place defeating Spain by 13-3. In this final round, Slovaks are going to face Czech Republic in the other men qualifying.

The games of Men's group A put face to face Sweden and Czech Republic. The current Champions showed their will to defend the title and were able to control the team of Czech Republic. The loser team seems to be disappointed with the score (2-5) since this result leaves them at the end of the table of this group.

On the other game of this group, Switzerland overcame Finland by 6-3 in a crucial and exciting game that defined the other men semi-finalist.

The group B was full of surprises! Especially for the home team! Portugal won the first game of the competition against Korea by 6-5. When the Portuguese team scored their first goal, the crowd went wild. But the team of Korea fought till the end. The third period started with a tie (4-4), but at the last minute of the match Portugal scored and got their first victory.

We are about to find the world university championship medalists! Good luck to all!

FLASH INTERVIEWS

TOMAS REGULY
MAN OF THE MATCH SLOVAKIA

My last game wasn't that good, so I told myself that I had to play better for the team. It was great to be awarded as the best player of the match! To the next one I hope we're lucky and that we can win.

KINGA BUGAJSKA
WOMAN OF THE MATCH POLAND

It's a great award but all team played really hard to the success. It was a great game! At the moment, the most important think is the score and the victory. This year we expect to be at least at the same place as 2010. This was an important match to the rating!

MARIA BARCELO
